Please realize that you can start as soon after 8:45 when everyone is there. This will allow you to have longer breaks or end early. Sometimes short breaks, rather than longer are good. Plan to have quiet games or puzzle sheets to play if you end early. Students are instructed to bring water bottles, snacks, and books to read for breaks.

Stanford is untimed. Continue to allow the student to work if they are progressing and not dawdling or holding up the rest of the class for too long. These times are based on average results.
