Thank you for scheduling your Woodcock-Johnson achievement test with us!

Depending on your student, the test may take up to **90 minutes** to complete and costs a total of **$100 for the basic battery**, (this includes the **$50.00 deposit** to hold your test date and time slot and therefore you would pay the balance of $50 on your test day). The deposit is non-refundable if you cancel fewer than 2 weeks prior to your test date and don’t reschedule. Any extended time spent over 90 minutes testing will be charged at the rate of $25 per half hour. **Please let us know if you expect your student needs extended time or any other accommodation.**

The basic battery includes the following subtests: calculation, applied math problems, letter-word identification, spelling, passage comprehension, calculation, writing samples, and fluency in the areas of reading, math and writing. You should plan on being at the test center for **two hours**.

If you choose to schedule an extended WJ, the deposit is **$62.50** and the total cost of the test is **$125.00**. The extended battery includes an assessment of the student’s knowledge of humanities, science and social studies. These tests give one lump score on the WJIII version, but are separated into three scores on the WJIV.

Each WJ session includes a **15-20 minute consultation** with the test administrator. Additional consultation time may be purchased at the rate of **$25 per half hour** and may be conducted in our office or over the phone. You will also receive a detailed report and description of test scores. A Comprehensive Report with instructional strategies and recommendations for struggling students working below average in an area is also available for **$15.00**.

Once we receive the requested information and payment, we will send you an email receipt.

When you arrive for testing, the test administrator will take a few minutes to confirm information and put your student at ease before beginning the test. **Our waiting area is very limited. Please do not bring other children. You may leave and return after 75 minutes.**

**The WJ deposit is non-refundable if you cancel fewer than 2 weeks prior to your test date and don’t reschedule. It is due at or before the time of registration.**

Please feel free to contact us at 919-387-7004 or at info@triangleed.com with any questions. You might want to practice a math speed drill with easy addition, subtraction or multiplication if your child is unfamiliar with such, but otherwise, there really isn’t a way to “practice” for the WJ.

Thank you for taking the Woodcock-Johnson with us. We look forward to serving you.

Sincerely,

*The Triangle Assessments Team*
