The Woodcock-Johnson® III: WJNU, WIIP (Ages 4-94)

Test Type: Achievement Test. One-on-one with a test administrator. NOT multiple choice.

Some of the test is oral, and some is written.

Purpose: To measure the skills and achievement of students all ages in Reading, Language Arts, Mathematics and the optional tests of Social Studies, Science, and Humanities.

Ages: 4-94

Time: Approximately 1 to 1.5 hours

Scoring: Computerized report immediately after testing, plus 15 minute consultation ([sample machine score report](#))

Recommendations: Take it every year

Administrator Requirements: Must be done in our Raleigh/Durham, NC area offices by our trained testers.

What is Woodcock-Johnson®?

A "Basic" Woodcock-Johnson® achievement test package is sufficient for many home school and private school state requirements for an annual nationally standardized achievement test. It can be done any month of the year and requires a specially trained administrator. (Refer to <http://www.hslda.org> for your state's requirements.)

The "Basic" WJ® III achievement package includes 9 tests, which evaluate reading, written

language and math and takes about 1 to 1 1/2 hours.

You will receive a report and consultation immediately following the test session.

Benefits:

- Meets most state's home school annual test requirements
- Used for many Gifted Program inclusion requirements
- Great for all ages, especially young children
- Great for poor or non-readers
- Great for ADHD children
- Immediate test results
- Fraction of the time of other achievement tests
- Not fill-in-the bubble
- One-on-one with administrator
- Can be done any month of the year
- Add on the Intervention and Teaching Strategies Report!
- Our consultations can help you decide curriculum

Extended Tests and Report Options are Available:

- If ordered, the Academic Knowledge Test assesses science, social studies and humanities. One combined score is given. This is recommended for middle and high schoolers and children strong in those areas. It is \$25.
- 22 tests comprise the whole achievement battery. We can use the other tests to further investigate achievement strengths and weaknesses if needed.
- If ordered, the WIIP Comprehensive Report will be emailed to you as a PDF after your appointment. It will contain intervention and teaching strategies if your student's scores are below average. You can choose to add this after your test session and can pay for this at your appointment or later during the year. It is \$15.
